REPORT

Date-30/09/2023

A program was conducted on the occasion of World PCOS day and to mark the beginning of PCOS awareness month on 01/09/2023 in Seminar Hall, Parul Institute of Ayurved from 10 AM to 1PM. Inauguration of the program was done by Dean sir Dr. Hemant Toshikhane. After Lamp lighting there were two guest lectures, one by Dr Rita Parikh, Consultant Gynecologist, Parul Ayurved Hospital on the topic Pathophysiology of PCOS. Another guest lecture was on Victory on PCOS through Ancient Ayurved Science by Dr Mansi Modi, Senior Medical Officer, Government Ayurvedic Hospital, Vadodara. Later the guests were honored with memento and announcement of the digital poster competition was done. Faculties, PG Scholars and 3rd year UG Students attended the same.

A number of awareness talks were conducted at different institutes in PU in which hundreds of young women were made aware about what is PCOS, its pathophysiology, symptoms and lifestyle changes to prevent as well as to cure PCOS. Total 11 talks were conducted by faculties of PTSR dept of PIA and PIAR at different venues inside PU. Along with these multiple awareness talks on PCOS were conducted by PG scholars outside PU at residencies and camp places. These helped women to diagnose early and have a visit to screen for PCOS at PAH.

A digital Poster making competition was conducted by our department in which participants were asked to send their poster on concerned email id and among which 15 posters were selected for 2nd round. In which the participants of selected posters were asked to present their posters on 29/09/23. Participants showcased their creativity and knowledge through visually appealing posters that conveyed vital information about PCOS, its impact on women's health, and the available treatment options. The competition fostered a sense of

responsibility among students and scholars to disseminate essential health information within the community. Best 3 posters were recognized for their outstanding contributions. The competition served as a successful initiative in promoting health awareness and fostering a sense of social responsibility among the participants. All the participants including winners were encouraged with E-certificates.

In the conclusion session of World PCOS Awareness month celebration the whole month programs reporting was addressed by Dr. Lumi. Faculties, PG Scholars and 3rd year UG Students attended the same. At the end Dean sir encouraged whole PTSR department for the successful completion of PCOS Awareness month celebration.

Thus, various activities were conducted by the department on the occasion of world PCOS Awareness month in order to make the women aware about PCOS and its side effects. Overall, the event was successful with support of Dean sir and our Institute.
